Joseph G. Grady is an associate in the firm's Philadelphia office.

Joe focuses his practice on toxic tort, environmental, products liability, and personal injury litigation. He has experience in all stages of litigation, including drafting pleadings, discovery responses, motions, briefs, client status reports, and conducting depositions, as well as attending case management conferences, discovery hearings, arbitrations and settlement conferences.

While in law school, Joe was a *Judicial Intern to the Honorable Daniel J. Anders*, Philadelphia Court of Common Pleas.
