William Perrelli is an associate attorney focusing his practice on litigation including personal injury matters, toxic torts and commercial litigation.

William is experienced in all stages of litigation, including trials to verdict, arbitration, mediation, taking and defending depositions, discovery and motion practice. William focuses his practice heavily on motor vehicle and trucking accident litigation, and has tried motor vehicle accident cases in both New York and New Jersey. William previously worked as an associate at a law firm in Manhattan where he was responsible for trying the bulk of the firm's New York based motor vehicle accident cases. William also attended the New York State Trial Academy at Cornell Law School.
